

**TODAY'S MARKET COMMENTARY**

DSEX, the prime index of the Dhaka Stock Exchange, stayed afloat on green territory despite profit booking sell pressure, while the DSEX went up by 16.0 points or 0.22% to end at 7,218 points at the end of this session. Market observed intense volatility as buyer went on to sell their holdings from beginning of the session while the price surge of some large-cap stocks helped the index to close higher. Meanwhile, BSEC order to ensure 10% free-float shares enticed considerable sell pressure in the Walton, Berger & ICB shares as investors wanted to avoid possible losses due to increase number of share supply in the market. Besides, the total turnover has advanced considerably by 24.66% and stood at BDT 20.40bn. On the sectoral front, Pharma & Chemical (11.58%), Engineering (10.38%), and Miscellaneous (10.16%) issues were in most demand today. Most of the sectors observed mixed performance, out of which Travel (5.2%), Services (2.6%), and Textile (2.4%) have exerted the most returns while Engineering (-3.7%), Financial Institution (-3.3%), and Life Insurance (-2.5%) observed corrections on the bourse today. Out of the 375 issues traded, 189 advanced, 143 declined, and 43 remained unchanged.

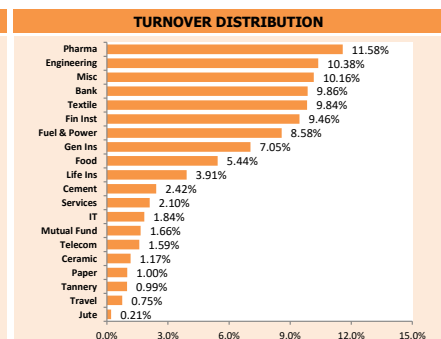

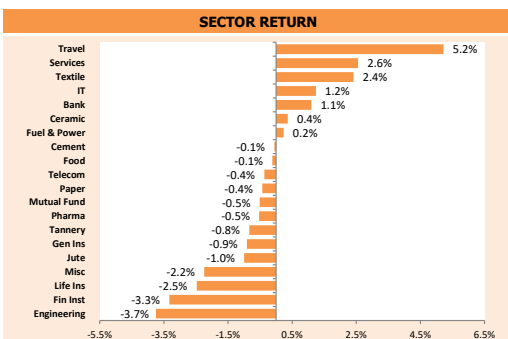

The port city bourse, CSE, also inched up in green terrain. The selected indices (CSCX) and All Share Price Index (CASPI) advanced by 23.7 points and 44.7 points respectively.
