

TODAY'S MARKET COMMENTARY

Equity indices of the Dhaka Stock Exchange continued to scale new record highs while in-line earnings growth of listed companies and positive regulatory stances also lifted investors' participation on the trading bourse. DSEX, the key index of DSE, charged up 65.38 points or 0.92% to end at 7,140.8 points on the bourse today. Meanwhile, the market capitalization of the Dhaka bourse has stood at the historically highest level of BDT 5,800 bn. However, as the central bank has strengthened its monitoring of banks' investments in stocks due to the recent rise, it may disseminate panic among investors causing a clutch in the dominant rally. BATBC, the large capitalized stock observed stellar performance that helps the market to ascend further. Besides, the total turnover has inched down by 1.22% and stood at BDT 28.66bn. On the sectoral front, Engineering (14.23%), Fuel & Power (12.53%), and Textile (12.50%) issues were in most demand today. Most of the sectors observed satisfactory performance, out of which Food (5.9%), Tannery (3.3%), and Telecom (2.3%) have exerted the most returns while Miscellaneous (-1.4%), Jute (-1.0%), and Travel (-0.3%) observed corrections on the bourse today. Out of the 374 issues traded, 177 advanced, 167 declined, and 30 remained unchanged. The port city bourse, CSE, also charged up in green terrain. The selected indices (CSCX) and All Share Price Index (CASPI) advanced by 82.9 points and 134.8 points respectively.
