

TODAY'S MARKET COMMENTARY

The Dhaka bourse has observed strong resilience as DSEX, the benchmark index of the DSE closed at the new high of 7,258.74 points with an increase of 62.42 points despite the market witnessed a steep downturn at the beginning of the session. Meanwhile, the market capitalization of the Dhaka bourse has stood at the historically highest level of BDT 5,863 bn. Move to mop-up excess liquidity and rise of private sector credit growth made investors anxious on the bourse in the morning. However, the large capitalized stocks namely SQRPHARMA, BXPBARMA, and OLYMPIC have observed considerable buying pressure that helped the market to ascend further. Besides, the total turnover has advanced by 5.52% and stood at BDT 26.97bn. On the sectoral front, Pharma & Chemical (13.23%), Engineering (13.04%), and Textile (9.55%) issues were in most demand today. Most of the sectors observed satisfactory performance, out of which Life Insurance (4.6%), Mutual Fund (3.0%), and Paper (2.4%) have exerted the most returns while Textile (-1.3%), IT (-1.1%), and Services (-0.8%) observed corrections on the bourse today. Out of the 376 issues traded, 177 advanced, 177 declined, and 22 remained unchanged. The port city bourse, CSE, also charged up in green terrain. The selected indices (CSCX) and All Share Price Index (CASPI) advanced by 93.5 points and 152.4 points respectively.
